Professor Candace Leuck

On Friday evening you will be officially presented with your **Certificate** at a Farewell Graduation Dinner.

Clemson University...

... offers countless opportunities for students, faculty and community members to participate in decades of tradition, improve the quality of life for their surrounding communities and pursue academic challenges. Ranked as the 22nd best national public university by U.S. News and World Report, Clemson is a vibrant student-centered community that thrives on leadership, collaboration and a winning spirit — in academia, athletics and life.

To become one of the country's top-tier research universities, Clemson University has combined the scientific and technological strength of a major research university with the academic and social environment of a small college. Just as founder Thomas Green Clemson intertwined his life with the state's economic and educational development, this university's students and faculty impact lives daily with their research and service.

Clemson University Academic Rankings

- ◆ #22: Ranking of top public national universities that U.S. News & World Report gave Clemson in 2009.
- ◆ #22: Ranking Clemson's Undergraduate Business School holds among Top Public National Universities, according to BusinessWeek magazine in 2008.
- ◆ #8: Ranking in terms of students' return on investment, as rated by SmartMoney.
- ◆ #7: Ranking our "most competitive students" in Clemson's MBA program received from the Princeton Review in 2008.
- ◆ #60: Number our campus ranks in the world in supercomputing, according to TOP500 for November 2008.

Tuition: Your tuition is US\$ 2500 and includes all instructional materials, transportation to and from each of the five site tours, networking breakfasts and luncheons and a farewell graduation dinner on Friday.

Accommodation: A maximum of 30 students may be accommodated. The following hotels are within walking distance to your instruction site.

Please ask TUCed for special hotel fees and flight conditions.

Your Holiday Option: Springtime is a beautiful time to visit Greenville. The temperature rises from 12 to 20 degrees Celsius and it is mostly sunny. And, if you like, you could spend another week in other beautiful places: it takes only 3 hours to go by car from Greenville to Charleston on the Atlantic Coast. Driving to Florida takes about 7 hours.
